Please Read Before Signing In

The TPS Midwest Region forwards the information you provide to the Learning and Innovation Office at the Library of Congress. This information is not shared with anyone else and is kept safely archived in the Regional Office. The Library uses this information to report to Congress, to share information about professional develop opportunities, and to determine the reach of the TPS program.

As you sign into this workshop, **if you do not want to share your personal information with the Library of Congress please check the opt out option.** If you opt-out, please list the congressonal district that your school is in so that we can determine the reach of the program.
