

Please Print			Your School's Congressional District	OPT- OUT
First Name	Last Name	Perferred Email		

Please refer to the map of Congressional Districts to identify the District that your school is in.

**Please Read Before Signing In**

The TPS Midwest Region forwards the information you provide to the Learning and Innovation Office at the Library of Congress. This information is not shared with anyone else and is kept safely archived in the Regional Office. The Library uses this information to report to Congress, to share information about professional develop opportunities, and to determine the reach of the TPS program.

As you sign into this workshop, **if you do not want to share your personal information with the Library of Congress please check the opt out option.** If you opt-out, please list the congressional district that your school is in so that we can determine the reach of the program.
